

Also known as Mohammad Reza Sadeghi, Phellix is a dynamic and innovative music producer, artist, and DJ. With a passion for blending electronic music styles with traditional Persian instruments and sounds, he has created a unique and captivating fusion electronic sound that sets him apart from the crowd. Coming from a background in rock music, Phellix brings a fresh perspective to the electronic scene, consistently pushing boundaries by incorporating Persian folk music and legendary poems into his work paying homage to his cultural roots while adding a new level of depth to his music.

Phellix's talent and hard work have not gone unnoticed; he has released music on top record labels including EEM (Sony Music), Sol Selectas, Cosmic Awakenings, George V Records (Buddha Bar), Deepalma Records, Soave Records, Sirin Sounds (Bar25), Katun, Elebated Records, Bayati Records, and more. His work has been featured six times in the iconic Buddha Bar compilations and continues to chart internationally. In addition to his success as an artist, Phellix is the founder of Ario Records, a label dedicated to organic and progressive electronic music infused with cultural and ethnic influences, providing a platform for emerging talents and forward thinking producers while shaping the global fusion electronic scene.

Furthermore, Phellix has built a strong following on social media, with a verified artist profile on various platforms, more than 105K followers across all social media channels, and an impressive presence on Spotify with over 300K monthly streams and a total of more than 13 million streams. His music has also been played on over 10,000 radio stations worldwide. With his unique sound and dedication to his craft, DJ Phellix is a rising star in the electronic music scene and someone to watch out for in the future.
